Parent/ Guardian Signature: \_\_\_\_\_ Today's Date: / /

### **COURSE IN DEVELOPING PERSONAL SAFETY AWARENESS INFORMATION**

The **purpose** of the course is to assist students to enhance their safety awareness and decrease risk for injuries. On successful completion, students will achieve an Australian Nationally Recognised Competency from the 10417NAT Course in Advanced Safety Awareness.

#### ***ASADPS001A Develop personal safety awareness.***

Australian Competency based training is governed by the National VET Regulator, the Australian Skills Quality Authority (ASQA). [Click here](#) to find more information on ASQA

**Privacy:** Information collected by PaQS People and Quality Solutions Pty Ltd (PaQS) is protected under the PaQS Privacy Policy. We are committed to complying with the Privacy Act 1988 – Privacy Amendment (Private Sector) Act 2000 and the National Privacy Principles (NPP). You are entitled under the Privacy Act to access the information we hold about the student, only when the student has provided written permission.

#### **Requirements:**

- A postal address is required so training materials and the Statement of Attainment can be sent to the student.
- Date of Birth is required so that a Statement of Attainment may be issued.
- Email address is requested (optional) for notification of completion of the training.

**Completion:** If the required standard is not achieved on the competency the student will be notified about which elements to review and provided with the opportunity for re-assessment.
